

Tools Needed: Phillips Head Screwdriver

Parts Included: 1 Assembled Tabletop
4 Legs

Hardware: 8 – 2" Phillips Screws

1. With the tabletop facing down, carefully slide the legs into the 45-degree slots on the corners of the tabletop.

2. Using the 2" Phillips Screws, attach each of the legs through the pre-drilled holes. (2 screws per leg)

✂ ASSEMBLY TIP: For ease of assembly, finger tighten all fasteners first. Tighten securely after all parts are aligned. Do not over tighten. Holes are drilled to easily accept hardware. However, because of finish the holes may be tighter than normal. Lightly tapping the hardware with a hammer will help with the assembly. Using some soap on the screws will make the job a little easier.

CARE INSTRUCTIONS

Your new furniture requires very little maintenance. It may be washed with a mild detergent and water to remove surface dust and dirt. After prolonged exposure to the elements you may want to refinish it. We recommend lightly sanding it prior to refinishing, then use a cloth to remove the dust, refinish with a high quality exterior finish. It may be necessary at times to tighten the bolts and screws. It is normal for bolts to loosen somewhat in wood furniture. In northern climates, we recommend that the furniture be stored inside during the winter months.

LIMITED WARRANTY

This product is warranted only against defects in materials and workmanship for one year following the date of purchase. This limited warranty is in lieu of all other warranties, expressed or implied, and no one is authorized to assume for the company any other liability in connection with their sale of this product. This warranty gives you specific rights and you may also have other rights, which vary, from state to state.
